

FIRE BAN

PEI's minister responsible for forestry has issued a fire closure order that bans all fires in the province, including campfires, until further notice.

The ban on campfires and bonfires includes fires on private property as well as at provincial parks and campgrounds.

Reminder **FIREWORKS
ARE PROHIBITED**

everywhere on Prince Edward
Island at all times, except by
special permit.

Charcoal and propane barbeques are allowed, but please use extreme caution.

Burning or smoldering charcoal briquettes must not be placed on the ground.
After cooking, briquettes must be completely extinguished, and ashes disposed
in a non-combustible storage device.
